

## **Additional important information for participants and supporting crew at SkiffieWorlds 2022**

Entry requirements to the Netherlands consist of a full vaccination course including timely booster or a recovery from COVID certificate for all non-EU/non-Schengen countries not being on the safe list.

At present the UK is not on the safe list and all travellers to the Netherlands from the UK therefore have to comply to this.

Full travel information available through: <https://www.government.nl/topics/coronavirus-covid-19/visiting-the-netherlands-from-abroad/exemptions-to-the-entry-ban>

An exemption for this is possible for elite athletes and their support crew not complying to the above entry rules as an exception. They will have to apply through their host event organiser, for a 'letter of invitation' from NOC\*NSF, the Dutch Olympic Committee and Dutch Sports Federation. See diagram for procedure.

To apply for this letter, those travellers not being vaccinated/ fully vaccinated who will be competing or supporting the contestants at SkiffieWorlds, will need to supply the following information in the supplied format before 3 june 2022 in order to get a letter of invitation. It is only necessary for participants not fulfilling the above requirements of the entry ban to apply for a letter of invitation.
