>> From the humble origins of an idea floating around the Firth of Forth in Scotland and with the help of the Scottish Fisheries Museum this community driven idea was developed into an now international phenomenon.

At the first Scottish regatta a mere 10 existing skiffs participated. At SkiffieWorlds 2013 in Ullapool 35 skiffs competed. In 2015 the 100th Skiff was launched in the Netherlands. And on from there this Scottish formula took off around the globe with now 350+ skiffs community built and launched worldwide.

Realizing this was getting global attention the Scottish Coastal Rowing Association handed over its stewardship of the measurement rules, safeguarding the class's unity by installing St Ayles Skiff International

Ltd as its guardian. SASI comprises of a board of representatives from 4 national class associations and is the governing body of international competition in the St Ayles Skiff. It has tasked Veerse Meer Sloeprace and DARA with organizing SkiffieWorlds2022 after choosing this excellent location.

We are therefore delighted that after 2 years of international challenges that we have been facing, Covid restrictions have now been lifted and that the 3 yearly Worlds competition can be kept alive.

We are sure that competitive racing will strengthen the bond of our now true international community even further and wish all rowers the positive power to excel.

SASI, June 2022

60 skiffs, 7 countries

1.300+ participants!

Scotland: 31 | England: 4 | Ireland: 1 | Northern Ireland: 3 | USA: 3 | Canada: 1 | The Netherlands: 17

Dear rowers

End 2020 we have received the go-ahead from the SASI to organize the Skiffieworlds2022, it was for us a big honour & compliment after so many years organizing the Veerse Meer Sloepenrace.

We divided the organization in two parts let say the hardware and the software. The deal is that the Dutch St.Ayles Rowing Association organize the physical race & race schedule and the Veerse Meer Evenementen take care of the permits and the hardware.

We started immediate with the license for the race parkour because this was the biggest wave in front of us. But nevertheless this was the easiest bump we have to take. The cooperation with the official departments was super and despite the Covid-19 guidelines there was a productive collaboration between the parties. Our sincere appreciations to all the parties involved.

The Province Zeeland and the city of Noord Beveland realize that this is a serious event with international character. Via many online meetings the Province promise us to help us wherever the can, and they did, for a voluntary organisation a real must nowadays.

Thanks for register!

With this reply I have been in contact with most of the attendance of this event. Many time I was busy up to 11pm to answer all the e-mail. It was not so strange that there were questions like "to whom you are mailing the whole evening?" Personally I think that we are part of the rowing family that like the adventure on the water with a rowing team. The elements are sometimes tough, but when to boat is moored

good and safe the feeling that we all share is indescribable.

But the only reason why we do this is that we enjoy giving people all over the worlds a wonderful, exciting, ones in a life time, sporty, enjoyable and most of all a happy event.

Thank you all for being here and let's make it an unforgettable event for us all.

26th June till 2nd Juli 2022 | Kortgene | Zeeland | The Netherlands

We welcome all rowers and supporters to the 4th Skiffie Worlds 2022 in Kortgene.

The Dutch St Ayles Rowing Association, DARA is proud to be part of the organisation of this event.

After Scotland and Northern Ireland we are bringing this race for the first time to the continent and The Netherlands. On the vast salt water in front of Camping de Paardekreek this week long race will take place in the beautiful Skiffs.

The St Ayles Skiff project was started by the Scottish Fisheries Museum in Anstruther, Scotland and provide community building by way of building and racing of this class in which the social aspect takes an important role. It is the fastest growing rowing sport in the World.

We would like to thank the province of Zeeland, the municipality of Noord-Beveland, the municipality of Kortgene, Organizer The Veerse Meer Race, Camping de Paardekreek, sponsors and all local residents for supporting this fantastic event.

We wish all participants and interested parties a great week with a sporty overtone.

Kees van Vugt

Wij heten alle roeiers en belangstellenden van harte welkom bij de 4e Skiffie Worlds 2022 in Kortgene

De Dutch St Ayles Rowing Association, DARA is trots dat wij mogen bijdragen aan de organisatie van de 4e Skiffie Worlds

Na Schotland en Noord-Ierland brengen we deze race voor het eerst naar het continent en Nederland. Op het uitgestrekte zoute water net voor Camping de Paardekreek zullen een week lang dagelijks vele races worden gehouden met deze mooie Skiffs.

Het St Ayles Skiff project is begonnen in het vissersmuseum in Anstruther in Schotland waarbij gemeenschapszin middels de bouw en het racen van deze eenheidsklasse en vooral ook sociaal roeien de boventoon voeren. Dit heeft geresulteerd in de snelst groeiende roeisport in de Wereld.

Wij danken o.a. de provincie Zeeland, Gemeente Noord-Beveland, Kortgene, de Veerse Meer Race, Camping de Paardekreek, sponsors en alle omwonenden in de ondersteuning tot het komen van dit fantastische evenement.

Namens DARA wensen wij alle deelnemers en belangstellenden een geweldige week met een sportieve boventoon.

Kees van Vugt

Zeeland. The place to be for water lovers.

In Zeeland, you'll always find a beach where the wind is just right for indulging in water sports, whether you're into wave surfing, waterskiing, snorkelling, rowing, kiting or sailing. There's a good spot for all levels and types, ranging from calmer areas like the Veerse Meer lake to the more thrilling open North Sea.

Fanatics of water sports are completely in their element in Zeeland. You're spoilt for choice of what to do in the many areas devoted to water sports. Check them out here: Zeeland.com/watersports or scan the QR code.
